

One Step Forward

One Step Forward is a web comic, focusing on an unsure college sophomore, and how he take strides towards growing up, understanding responsibility and struggle with independent life.

Once Step Forward, focuses on college sophomore Conner O'donnell, and his struggles as he enters adulthood. As junior year approaches, Conner still lacks an idea of what he wants to do with his future, having no direction in his life. So now he must take the initiative and get himself back on track, to find out what he truly wants. This comic is intended for an audience of youth age, thinking about college life, following the themes of growing up and gaining independence.
